Commissioner for Patents

Attached please find notice of non-responsive amendment.

Konstantina Katcheves

Response to Amendment

The reply filed on 5 November 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The present amendment does not comply with the requirements for filing claims under the new revised format because markings in currently amended claims are required. All claims being currently amended shall be submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claims. The changes in any amended claim should be shown by strikethrough (for deleted matter) or underlining (for added matter). No separate "clean" version should be submitted for currently amended claims, as this requirement has been eliminated. Markings should only be made in claims being currently amended in an amendment paper. See 37 C.F.R. 1.121. Applicant indicates claims 245 and 248 as "currently amended." However, no markings are provided to indicate how the claim has been amended. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
